Subject: Fwd: Gold King Mine Multi-agency Coordination (MAC) Call - 12 Noon Tuesday

Hey all,

Here's the info Colorado OEM sent about the coordination call I mentioned to some of you yesterday (it got kicked from CDPHE to OEM). As I said before, I can call in if you all need some time to establish things there but I do think it's more a field responsibility. Also before there was no mention of other regions or states being present so maybe David or Nat should do as/from AC?? Anyway, unless I hear differently, I'll plan to cover. G
